Roo at the Zoo

One night Roo went to the zoo. It was a full moon. “Where is the food?” he said. “I will look for the food,” said Roo. I will look in the cook’s room. It is dark. But I can see by the light of the moon. Roo found a scoop, a book, a spoon, but no food. Roo heard a sound. “I will look in there,” said Roo. It was the cook. “Boo!” said the cook. “Would you like some food?”

Pop! Out came the tooth. "Save my tooth. Get the broom. It is on the stoop. I want some loot!" said Loo.
